DIET & HEALTH CATEGORY

Please mention the reference on the product registration form

Products in this category must be clearly distinguishable from food for current consumption and be recognised as such and/or bear nutrition or health claims on their label. In assessing these products, particular attention will be drawn by the Monde Selection jury to the scientific substantiation of the claim(s) by taking into account the totality of the available scientific data and by weighing the evidence.

FOOD SUPPLEMENTS

REFERENCE

DH.1.1 FOOD SUPPLEMENTS

Food supplements mean foodstuffs of which the purpose is to supplement the normal diet and which are concentrated sources of nutrients or other substances with a nutritional or physiological effect, alone or in combination, marketed in dose form (capsules, pastilles, pills, sachets of powder...) designated to be taken in measured small unit quantities.

FOODSTUFFS FOR PARTICULAR NUTRITIONAL USES

REFERENCE

DH.2.1 INFANT FORMULAE AND FOLLOW-ON FORMULAE

DH.2.2 PROCESSED CEREAL-BASED FOODS AND BABY FOODS FOR INFANTS AND YOUNG CHILDREN

DH.2.3 FOOD INTENDED FOR USE IN ENERGY-RESTRICTED DIETS FOR WEIGHT REDUCTION

DH.2.4 DIETARY FOODS FOR SPECIAL MEDICAL PURPOSES

DH.2.5 FOODS INTENDED TO MEET THE EXPENDITURE OF INTENSE MUSCULAR EFFORT, ESPECIALLY FOR SPORTSMEN

DH.2.6 FOODS FOR PERSONS SUFFERING FROM CARBOHYDRATE METABOLISM DISORDERS (diabetes)

DH.2.7 OTHERS (please specify on the product registration form)

Foodstuffs for particular nutritional uses are foodstuffs which are clearly distinguishable from foodstuffs for normal consumption and which are suitable for their claimed nutritional purposes.

FUNCTIONAL FOODS & DRINKS

REFERENCE

DH.3.1 ENRICHED FOODS & DRINKS

Enriched foods & drinks: food with additional nutrients (e.g. fruit juices fortified with vitamin C, energy drinks with specific health claims...) or other substances (e.g. margarine with plant sterol esters, cholesterol lowering drinks...) or food in which one of the components has been naturally enhanced through special growing conditions, new feed composition, genetic engineering or otherwise (e.g. eggs with increased ω -3 content achieved by altered chicken feed)

DH.3.2 ALTERED FOODS & DRINKS

Altered foods & drinks: food from which a deleterious component has been removed, reduced or replaced with another substance with beneficial effects (e.g. fibers as fat releasers)

DH.3.3 OTHERS

Others (Drink vinegars, barley leaves juices: please specify on the product registration form)

A food can be considered as functional if together with the basic nutritional impact, it is satisfactorily demonstrated to affect beneficially one or more target functions in the human body, thus improving the general state of health and well-being and/or decreasing the risk of the evolution of disease. Functional foods must remain in the form of normal foods and they must demonstrate their effects in amounts, that can normally be expected to be consumed in the diet. They are not pills nor capsules....., but part of a normal food pattern.

Nutrient: means protein (including essential amino acids), carbohydrate, fat (including essential fatty acids), fibre, sodium, vitamins and minerals.

Other substance: means a substance other than a nutrient that has a nutritional or physiological effect. Other substances can be: enzymes, pro- and prebiotics, herbs and other botanicals and botanical extracts, plant bioactives (carotenoids, flavonoids.....), animal bioactives (astaxanthin, organ tissues, glandular, metabolites...) and other substances (glucosamine, chondroitin.....).

Food (or foodstuff): means any substance or product, whether processed, partially processed or unprocessed, intended to be, or reasonably expected to be ingested by humans. "Food" includes drink, chewing gum and any substance, including water, intentionally incorporated into the food during its manufacture, preparation or treatment.

MONDE SELECTION®

International Quality Institute Since 1961

RULES & REGULATIONS 2019

Item 1 - PARTICIPATION

- 1.1. Participation is open to all manufacturers, distributors, exporters and importers, etc.
- 1.2. The participant is entitled to enter as many products as he wishes.

Item 2 - PARTICIPATION CRITERIA

- 2.1. The client will provide samples with additional required information of each registered product.
- 2.2. Participants confirm that all samples will be presented in their original commercial packaging with mention of the use-by date.
- 2.3. Each presented product has to be commercialized at the time of registration.

Item 3 - EVALUATION PROCEDURES

- 3.1. Tasting & testing analyses are carried out by an independent board. Each product is evaluated by experts who quote individually and independently on evaluation forms.
- 3.2. The evaluation will be established according to the type of product:
 - examination of organoleptic characteristic features by sensory analyses and/or
 - chemical and bacteriological analyses, carried out by an official or approved laboratory, in accordance with well-established procedures and/or
 - inspection of the conformity of the labelling.
- 3.3. The evaluation criteria are subject to yearly revision in accordance to the evolution of European Directives and Regulations.
For more detailed information on evaluation procedures according to the type of product, please consult our website: www.monde-selection.com

Item 4 - QUALITY AWARDS

- 4.1. The reward consists of a Quality Award and a Diploma.
- 4.2. In accordance with the evaluation procedures listed under 'Item 3' of these regulations, the following awards are granted:
 - **Bronze Quality Award**, to each product having obtained at least 60% of the points.
 - **Silver Quality Award**, to each product having obtained at least 70% of the points.
 - **Gold Quality Award**, to each product having obtained at least 80% of the points.
 - **Grand Gold Quality Award**, to each product having obtained at least 90% of the points.
- 4.3. All products which do not attain 60% of the points do not receive an award.
- 4.4. The diploma will state the name of the company and product mentioned on the product registration form as well as its obtained quality level.

Item 5 - QUALITY TROPHIES

- 5.1. **The Prize of the Jury** can be granted to one product per category. This product will have been unanimously noticed by the jury panel as having outstanding qualities that the jury wants to highlight. This distinction does not necessarily concern the products that have received the highest grades but rather those that stand out for their specific criteria and parameters such as taste, flavor, innovation and originality. The Prize of the Jury will not be communicated alongside the yearly result notification but will be announced per category at the Annual Awards Ceremony. This trophy can only be attributed once in the lifetime of a product and can be used on its packaging up to maximum 3 years.
- 5.2. **The International High Quality Trophy** is granted to products having obtained a Grand Gold and/or Gold Award for three consecutive years.
- 5.3. **The Crystal Prestige Trophy** is granted to companies having received a Grand Gold, Gold, Silver or Bronze Award for ten consecutive years.
- 5.4. **The 25 Years Trophy** is granted to companies having received a Grand Gold, Gold, Silver or Bronze Award for twenty five consecutive years.
- 5.5. **The Emerald Prestige Trophy** is granted to companies having received a Grand Gold, Gold, Silver or Bronze Award for forty consecutive years.

Item 6 - RESULTS

- 6.1. Each participant will be informed of his final results by email by the end of April at the latest, except the Prize of the Jury which will be announced during the Annual Awards Ceremony
- 6.2. **NEW** - Evaluation Reports
 - All participants will receive a chart with the results of the evaluation criteria for each submitted product.
 - A jury report with organoleptic comments and observations can be ordered at the time of the product registration upon specific request. An additional fee will be requested. This report is only available for the Food, Spirits & Liqueurs, Beers and Non-Alcoholic Beverages and not for Waters, Diet & Health and Cosmetic products.

- 6.3. Decisions adopted by the boards of selection are considered to be final and can not be contested.
- 6.4. Products having obtained at least 60% of the points will be published in the annual list of awards. Clients who do not wish to publish their results should notify this to Monde Selection upon written request immediately after the result notification.

Item 7 - AWARD USE

- 7.1. Quality awards, diplomas and trophies are granted by Monde Selection to a product submitted by a firm. These awards refer specifically and solely to the product presented. This product is considered unique and can be identified by its **name, size, weight, content and container material quality** on the one hand, and the registered firm on the other.
- 7.2. The participating firm may not assign the award to any third party, even in the case of products manufactured under license.

Item 8 - ADVERTISING USE

- 8.1. The sole images to be used for advertisement are the quality awards, the International High Quality Trophy and the Prize of the Jury provided by Monde Selection. The attributes of the design cannot be modified in any way.
- 8.2. The level of quality "Bronze Award", "Silver Award", "Gold Award", "Grand Gold Award" and the "Prize of the Jury" can be translated in the language of the country where the awarded product is distributed.
- 8.3. It is not allowed to add any motif or design around the quality award (such as ribbons, crowns).
- 8.4. The quality awards and/or diplomas and/or trophies may be duplicated in any size as long as the reproduction is rigorously identical and the ratio is respected.
- 8.5. Reference to any award or trophy shall always be accompanied by the official award level (bronze/silver/gold/grand gold/) as well as a mention of the year of attribution.
- 8.6. "Palm Leaves" correspond specifically and solely to a Grand Gold Award and the Prize of the Jury.
- 8.7. The starting date of the use of the award is at reception of the official result notification. Images of the awards as well as official publication material may be obtained through Monde Selection upon written request.
- 8.8. Advertising and use of the award may refer only to the awarded product. The user will ensure, under penalty of having the awards withdrawn due to improper use thereof, that no confusion arises with other products which did not receive the award concerned.
- 8.9. The assortment/set of products: the awards granted to an assortment/set of products will only be used in publication and advertising in direct reference to the submitted assortment/set. The award can not be used on the products sold individually.
- 8.10. Client commits himself to respect labelling and commercial practices legislation in force in the countries where he distributes his products. Monde Selection will not be held responsible for commercial use non-compliant with local legislation.

Item 9 - TERM OF VALIDITY

- 9.1. The award/trophy can be used and printed on product packaging according to the present regulations for a period of three years from the date of reception of the result notification.
- 9.2. The use of the award/trophy on marketing tools (paper, video, internet,...) is not limited in time as long as the product name, the year and type of the award are mentioned and clearly identifiable by all consumers.

Item 10 - MISCELLANEOUS

- 10.1. Any use of an award which does not qualify to the previously mentioned rules shall be considered as an infringement of the rules & regulations of Monde Selection and liable to legal pursuits.
- 10.2. Except specific written request, Monde Selection has the right to use pictures and videos taken by Monde Selection or provided by the participant in any media. However all the information about the product will remain confidential.
- 10.3. The organizers reserve the right to amend the present regulations in the event of force majeure.
- 10.4. Only the French version of the present regulations shall be valid for purposes of interpretation and in the event of disputes.
- 10.5. In the event of any dispute arising there from, this shall be put before an arbitrator who shall be appointed by the Presiding Judge at the Court of First Instance in Brussels, at the request of the most diligent party.
- 10.6. Participants undertake to communicate any product name change prior to registration in order for the product's historical data to be taken into account.
- 10.7. Participants undertake to communicate any merger or acquisition they are or have been part of as soon as possible, in order for the company's historical data to be carried over to the new company's identity.
- 10.8. Participants in the World Selections hereby acknowledge having read these regulations and undertake to comply fully with their clauses.
